The map illustrates a park area in Givatayim, featuring several paths and roads. A prominent black path runs diagonally across the center. A blue dashed path follows the southern boundary. A red path forms a large loop on the left. A green path leads from the center towards the bottom right. A grey road labeled 'אל טראק' (El Traek) runs along the top edge. A road labeled 'אל רמאים' (El Ramim) runs along the bottom edge. A road labeled 'אל מילא' (El Milia) is visible on the far left. A road labeled '386' is located in the upper right. A road labeled '44' is located in the lower center and upper right. The map includes contour lines indicating elevation levels (e.g., 500, 600, 700 meters). Various facilities are marked: a red arrow at the top left points to 'אשורי רמאים' (Ashori Ramim); a yellow square with a bicycle icon is near the center; a yellow square with a star icon is in the middle left; a yellow square with a toilet icon is in the center; a yellow square with a picnic table icon is in the upper right; a yellow square with a bicycle icon is in the lower right; and a yellow square with a car icon is in the far right. A tall tower is shown in the upper right corner. The text 'לפארק בגן' (To the park in the garden) is at the bottom right, and 'על פסוק' (On the verse) is at the very bottom right.

The map illustrates the Ein Afek Nature Reserve with several key features: 1) **Entrances:** "Shear Ein Afek" (red arrow) at the top right, "Shear Id Kedai" (red arrow) in the center, and "Ein Afek" (black arrow) on the left. 2) **Trails:** A red trail leads from the top entrance down towards the center. A green dashed trail connects the top entrance to the central one. A blue trail with a yellow "44" sign follows the green dashed trail. 3) **Landmarks:** "Hor Umandid" is marked with a question mark icon. "Cafeteria" is marked with a yellow square containing a red star and a brown picnic table icon. 4) **Facilities:** A black path with a blue wheelchair accessibility icon leads to a yellow square with a black ram head icon. 5) **Geography:** The area is characterized by orange and green terrain, with elevation contours ranging from 500m to 750m. 6) **Labels:** "Ein Afek" is labeled multiple times along the bottom and sides. Other labels include "Zionot Oraha" (top right), "Oraha" (center right), "Umandid" (center), "Id Kedai" (center), "Shear Id Kedai" (center), "Shear Ein Afek" (top right), "Ein Afek" (bottom left), "Ein Afek" (top left), "Ein Afek" (middle left), "Umandid" (middle left), "Hor Umandid" (center), "Cafeteria" (bottom center), and "Ein Afek" (bottom right).
